Fayetteville People To Visit on October 20th

Presbyterial President Has Set That Date.—Many Others Are Visiting Barium

October 20th is going to be Fayetteville day at Barium Springs. Mrs. P P. McCain, of Sanatorium, president of Fayetteville Presbyterial, has set October 20th as the date when a pilgrimage will be made to Barium Springs by representatives from Churches in that Presbyterial. October 20th has therefore been marked down as another great day in the experiences of this Home, because of what it will mean at Barium Springs to have representatives from so many of the Fayetteville Churches here.

Not only has Fayetteville Presbyterial designated a certain date to visit Barium Springs, but the Auxiliaries in that Presbyterial are planning to have showers when sheets and spreads and towels will be given for this Home. Furthermore, all of the special offerings at the eight group conferences are to be given to Barium Springs this fall. These several things are indicative of great activity in behalf of this Home in that territory during 1939-1940.

This proposed pilgrimage conforms to efforts being made by officials at Barium Springs to induce friends to visit the Home. These friends are coming. too. thick and fast and from all directions. Nobody at Barium Springs has raised any objections to the frequency of these visits nor to the size of the delegations because of what each visit means to the work here.

Among groups visiting Barium Springs recently have been the Rockingham Young People, the Shelby Auxiliary, a Circle from Central Steel Auxiliary, Monroe Auxiliary, Columbus Sunday School, Cherryville Young People, a delegation from the Hills and Dan River Churches, a Circle from Graham, a car load of folks from Raleigh, another from Durham, a group of ladies of Fayetteville Presbyterial en route home from Montreat, a Wilmington party, the Orphanage Secretaries of Concord Presbyterial, all of the officers of Concord Presbyterial for a one-day conference, ad infinitum.

These people have come, they have seen, they have gone back, and they have acted. If you don't believe you will react the same way, make a visit to Barium Springs and see what happens.

Orphanage Work Secretary Says

Guest Writer: Mrs. W. H. Belk, Mecklenburg Orphanage Work Secretary.

Dear Friends and Co-Workers:

The month of September has often been designated as Loyalty Month. With vacation time over, and I truly hope you have had a most pleasant summer, we are now ready for the tasks ahead.

With Loyalty month calling for devotion to our Savior, to His Church and to every activity of the Church, I trust that each of you will pledge your love and loyal support to the work of our Presbyterian Orphanage in a very definite manner.

A trip to Barium Springs will prove very inspirational. If you have not been, I hope that you will plan to visit the Orphanage at an early date. Our Mecklenburg Presbyterial women have a keen interest in the work of Barium Springs, due to the fact that they are able to visit the Orphanage often since they live near this Orphans' Home.

As a special work, in Mecklenburg, the secretaries are personally asked to use their talent in assisting to raise the funds necessary for the education of several Barium Springs graduates, who are now in College. The co-operation of the secretaries in this project has greatly encouraged Mr. Johnston. The following is quoted from the letter of Mrs. T. L. Funderburke, Sr., Secretary of the Orphanage work at Matthews Auxiliary:

"Your plan to raise money for educational purposes is good—and I'm hoping that we can help in this way.

"You will be interested to know what happened to the dollar you sent me. I went to Leonard's Hatchery and bought eighteen barred rock chicks. From those I dreamed of at least getting ten dollars this fall. But the chicks must not have been strong for now I only have five. And I usually have such good luck with my chicks.

"Not to be outdone I asked the President of our Auxiliary if I might sponsor a curb market.

"Most of our people responded beautifully. So from 4:00 to 6:00 p. m., one afternoon, we had the market, clearing $12.40. I am sending you five dollars and the rest has been sent to the treasurer of Barium Springs Orphanage. (We still have those five chicks and they look fine.)

"Our Sunday School picnic will be held at Barium Springs, August 2. At this time we are carrying jams, jellies and preserves."

Although Mrs. Funderburke may

"Layout" of Campus Is On Inside Pages

Heretofore Unpublished Map of Campus and Buildings in This Messenger

For the first time in the history of this Home, insofar as officials here now can ascertain, a complete map of the "heart of Barium Springs" is today being published for public use. This is the center spread in this issue of The Barium Messenger. To F. A. Mutzberg, of Fort Bragg, goes inexpressible thanks, for it was his courtesy and kindness, his diligence and patience, his personal visits to Barium Springs on several occasions at his own expense, and a lot of hard work on the part of Mr. Mutzberg that the public can today be given a concrete and positive idea of the size of Barium Springs.

Not only has Mr. Mutzberg prepared this particular map of the buildings and their locations at Barium Springs, but he has also presented maps to Mr. Johnston, the superintendent, of the water, sewage, and steam lines on the place. He was instrumental, too, in getting maps of the Barium Spring properties from 15,000 feet in the air - maps that will be valuable to the Home in a good many ways. All of this work, too, has been done without entailing a single expenditure on the part of the Home.

Each Auxiliary in the Synod of North Carolina will this fall be sent one of these "layouts" and accompanying it will be pictures of the 15 main buildings at Barium Springs. With this map as a guide, the local Orphanage Secretary or President of the Auxiliary is urged to prepare a poster for her church, placing these 15 pictures on the poster just as they are arranged on the campus at Barium Springs. This is expected to be of considerable value to those churches in distantly located places, for the members of those churches seldom have an opportunity of visiting Barium.

Of course, this "layout" does not show everything at Barium Springs. It would have taken one far too large. The dairy barns and auxiliary units are not on the map, several residences could not be included, and neither does it show the barns and sheds on the back side of the campus. The preparation of this was confined to a limited territory but it will give friends a good idea as to the Home here. It also shows the highway upon which Barium is located, distances to towns and indicates the underpasses through which the children go back and forth, avoiding the necessity of crossing the road.

Sunday School Meals

Lots of cheers are due the Sunday Schools of the North Carolina Synod for the increase of $652.82 in their giving over the total that had been received at Barium Springs through August 31st a year ago. Elsewhere in The Messenger it is revealed that Synod was $653.22 ahead, so the Sunday Schools have been responsible for all of that increase except forty cents.

Obviously, a good many more meals were possible at Barium Springs with the responses of Sunday Schools last month. At ten cents per meal per child, the record of meals served for the past 9 months follow:

Month	'37-'38	'38-'39	'39-'40

Synod	**$2,995.79**	**3.4c**	**14.7c**

The Synod of North Carolina "cut loose" with a $532.97 increase in its giving during the month of August over the August, 1938, receipts, with the result that Synod's total to Barium Springs on August 31, 1939, was $652.82 ahead of the aggregate on August 31, 1938. In that $652.82 increase is $101.00 of 1939 Thanksgiving Offering, giving a net regular increase of $551.82. 'Tis a genuine pleasure on the part of officials here to make this revelation to the Synod as a whole, and those responsible for this advancement should be mighty proud that their giving has made this disclosure possible.

Two men's groups are responsible for $385.00 of that increase. A year ago the Men's Club of the Myers Park Church was making no set contribution to Barium Springs. During August $250.00 of this year's pledge was received here. From the Men's Bible Class of the Greensboro First Church came a special appropriation of $135.00, to be used here in the replacing of beds in Alexander Cottage - an event happily took place in the early days of September. A few more such occurrences as these, and Barium Springs would be announcing an increase of thousands of dollars, instead of hundreds.

Kings Mountain Presbytery has held the spotlight, covering the giving of the past two months. That Presbytery advanced from fifth place in June to second place in August. Last month it was third, and going forward one place shifted Albemarle Presbytery back to third. Concord and Mecklenburg swapped places, Concord being fourth now and Mecklenbury fifth. All other five Presbyteries occupied the same positions.

News From Some Of The Cottages

BABY COTTAGE

Hello Everybody!

Can you beleive it? Swimming time is over and tomorrow (Aug. 31) our school will start. We have three girls and five boys who will start to school. They are all very anxious to start their learning.

We have another new boy since we wrote to you last. His name is Albert Clough. Albert is three years old.

We were all saddened by the sudden death of our former Baby Cottage matron. Mama McGirt.

Dwight Reid spent the day with his father. He reported a very nice time.

Buddy Maples, Betty Jean McBride, Billie and Jerry Ennis and Charles Stevens have all had visits from their people.

We have been to see "Wolf Call" and "Angels Wash Their Faces". We enjoyed them both and thank Mr. Sams for inviting us to see them.

Ethel Brotherton, one of our little girls, has been sick in the Davis Hospital in Statesville. We are glad she is able to be back at the Infirmary and hope she will soon be back home again. We miss her very much.

Melva Powell, Lorene Hall, Essie Jean Lee and Clara Mangum have left us and gone to Annie Louise Cottage to live. We miss them but know they are happy in their new home.

We have had a lot of visitors in our cottage recently. We enjoyed their visits and hope they come back again.

Good-bye until next time.

Hello Friends,

School has started and we are glad.

Mr. Sams invited us to see "Angels Wash Their Faces". We thank you, Mr. Sams.

We have been having lots of beans to string these days.

We have twelve new girls from Annie Louise Cottage, and we sent thirteen girls to Rumple Hall.

We had the August birthday table on Wednesday of this week.

RUMPLE HALL.

Hello Friends,

Everyone is back from vacation and all had a good time. Several of our girls went to the last camp and reported a good time.

Our matron, Miss Mildred Stevenson, has resigned, and Miss Elizabeth Reid is taking her place. We are glad to have her, but we will miss Miss Stevenson.

The following girls moved from Rumple Hall to the Woman's Building: Marie Morgan, Evelyn Coppedge, Juanita McMasters, Beulah Baldwin and Lillian Sanders. Our new ones from Howard are: Mary Alice Stevens, Betty Dorton, Edna Maples, May Allen Barrett, Elizabeth Langley, Lillie Belle Smith, Ann McDonald, Dixie Lou Buie, Peggy Lou Buie, Jackie Newnam, Crosby Mundy and Betty Lou Williamson. Martha Price has moved here from Annie Louise Cottage.

Our school opens tomorrow, August 31st. Some of us are glad and some sorry.

Our teachers will all be on the campus by this afternoon. We are glad to have them with us again.

Will have more news next month.

—Anna Turner.

SYNOD COTTAGE

Dear Friends,

Just two more days until school starts. Most of us will be glad.

Our last camp ended Saturday. Four of us got to go. They were: Jack Mangum, Horace Smith, Robert Pearson and James Reid.

Miss Taylor returned from her vacation Friday.

Three of our boys moved to another cottage. Billy Everett and John Ammons moved to Lee's Cottagge. Robert Pearson went to Alexander.

James and Clyde Reid spent last week-end with their father.

The boys who did not get to go on the camping trip last week got to go to the show to see "Stanley and Livington". We certainly enjoyed it.

The big boys began football practice Monday. Their first game is September 22. We have started playing, too.

—Synod Boys.

mer's absence. We hope they had as grand a time as we did.

Our camping trips are over for the summer and everyone reported a grand time from the trips.

We enjoy having Mrs. Moose to help us in the kitchen.

We are always glad to have new girls in our cottage. Five girls came over from Rumple Hall and they are Marie Morgan, Evelyn Coppedge, Lillian Sanders, Juanita McMasters and Beulah Baldwin. They seem to like it pretty well.

While working in the laundry one of our girls, Flora Mae Newnam, burnt her ankle. It is not very badly hurt but she is not working at the present time. We hope it will soon be well, Flora Mae.

We will sign off until next month. —Beulah Baldwin.

INFIRMARY

Dear Readers,

Vacations are over and it is time for school again. The summer has certainly passed by fast.

We have had a few patients since we wrote you last: Mabel Vinson, A. C. Gant, Ethel Brotherton, Ray Lewis and Frances Rhyne. Mabel and Frances both have an injured foot. A rolling chair would come in very handy for these who have to stay in bed with injured feet. We have also been having quite a lot of sore toes which are fixed every day.

Mr. Diehl from Winston-Salem is going to live here at the Infirmary with us. We are glad to have him.

Mr. and Mrs. Sossamon are going to stay with us for a while. We enjoy having them and wish they could be with us longer.

Annie Sue Wilson and Louise Brock have moved from Rumple Hall down to the Infirmary. Sadie Mills and Annie Sue work for Miss Lackey. Geraldine Blue, Lillie MacDonald and Louise work for Mrs. McNatt, though we are one big family.

Mrs. Holton is getting along nicely. We enjoy playing games with her.

J. T. Buckley, Mrs. McNatt's grandson from New York, has been visiting her and other relatives in North Carolina. Hazel Miller, a graduate of Barium, came with J. T. She visited her sister out near Camp Fellowship.

be a member of a smaller church, the enthusiasm there is not small. If one secretary can accomplish so much, I am confident that each of the secretaries will greatly increase interest in the work of the Orphanage, as well as increase their talent.

Many secretaries report arrangements for monthly contributions are being made. Becoming more familiar with the work, they realize the great need of funds monthly with which expenses may be met.

Duing the summer months, Barium Springs Messengers were placed on the Free Literature Tables at Montreat. Judging from the rapidity with which these were taken from these tables, there is evidently a great desire on the part of our people to learn more of our Orphanage. It is our prayer that much interest will be created by means of this publicity.

The need at Barium Springs, as those who have visited there recently know, is evident, and they are looking to you and to me for our support, financially, as well as spiritually.

(Mrs. W. H.) Mary Belk, Secretary Mecklenburg Orphanage Work.
